## Bespoke Hampers

We would be delighted to help you put together a bespoke hamper to suit the tastes of the recipient and your budget.

If you are in the deli, you are welcome to select your items and we will put them together in a hamper for you. If we can, we will do this for you then and there but during busier times we may have to ask you to come and collect it later.

We are very happy to help you with your hamper choices - you can speak to us or email us with your budget and any product guidelines and we will make suggestions.

We add £5 to the cost of hamper contents for the hamper tray, filling and cellophane wrapping. We also have wicker hampers, priced according to size.

If you have any questions, please speak to a member of the deli team or send us an email at
